

RFR

ABOUT US

The RFR Group, based in New York, Frankfurt am Main and Luxembourg is an international real estate company pursuing a long-term investment strategy for over 25 years. As an American company with European roots, we acquire outstanding properties, analyze their competitive advantages and establish tailor-made strategies for the assets.

RFR Lux Asset Management S.à r.l. provides asset management services for a significant part of the European real estate portfolio. Among others, the planning, asset analysis and implementation of asset improvement strategies are part of the day-to-day activities. Our team also provides corporate management and accounting services for the Group-related companies domiciled in Luxembourg.

For our growing team in Luxembourg administrating the unsupervised market segment, we are looking for an
