

RFR

ABOUT US

The RFR Group, based in New York, Frankfurt am Main and Luxembourg is an international real estate company pursuing a long-term investment strategy for over 25 years. As an American company with European roots, we acquire outstanding properties, analyze their competitive advantages and establish tailor-made strategies for the assets.

RFR Lux Asset Management S.à r.l. provides asset management services for a significant part of the European real estate portfolio. Among others, the planning, asset analysis and implementation of asset improvement strategies are part of the day-to-day activities. Our team also provides corporate management and accounting services for the Group-related companies domiciled in Luxembourg.

For our growing team in Luxembourg administrating the unsupervised market segment, we are looking for an

Asset Manager (Real Estate) (f/m/d)

YOUR TASKS

- Management of real estate properties in our portfolio and representation of the owners' interests. The portfolio to be managed is primarily located in Germany and Southern Europe.
- Interface between the management of the holding companies (owner) in Luxembourg and the property managing teams in our offices in Frankfurt, Hamburg and Berlin
- Close coordination with asset and property management and, if necessary, other service providers at property level
- Financial review, analysis and monitoring of the properties to be managed
- Participation in the development of strategies for the properties and preparation of property budgets

RFR

- Monitoring and review of the planned/budgeted property performance
- Active risk and compliance management at property and process level (tenant creditworthiness, default probabilities, cost risks, data quality, process reliability, etc.)
- Participation in the preparation and communication of relevant bank and investor reports

YOUR PROFIL

- University degree in business administration with a specialisation in real estate or similar
- Five years of professional experience in the management of real estate properties with a given track record
- Knowledge of real estate linked (especially German and / or French) regulation
- Ability to work independently and proactively
- Quick comprehension and strong analytical and conceptual skills as well as project management abilities
- Highly motivated, flexible and team-orientated
- Flexibility to travel regularly
- German and English skills in word and writing (B2 level), a good command of French would be an advantage
- Excellent MS Office expertise
- Knowledge of the Yardi Voyager system is an advantage

OUR OFFER

You can expect exiting and varied tasks, flat hierarchies and a motivated, friendly and team-oriented environment offering you the possibility to be part of a growing platform with all the exposure and challenges this combines. For a first impression and information about our company and portfolio please visit our website on www.rfr.lu .

If this role appeals to you and you would like to find out more about our entrepreneurial growth story, please send us your application documents stating your salary expectations and the earliest possible starting date.
