

RFR

ABOUT US

The RFR Group, based in New York, Frankfurt am Main and Luxembourg is an international real estate company pursuing a long-term investment strategy for over 30 years. As an American company with European roots, we acquire outstanding properties, analyze their competitive advantages and establish tailor-made strategies for the assets.

RFR Lux Asset Management S.à r.l. provides asset management services for a significant part of the European real estate portfolio. Among others, the planning, asset analysis and implementation of asset improvement strategies are part of the day-to-day activities. Our team also provides corporate management and accounting services for the Group-related companies domiciled in Luxembourg.

For our growing team in Luxembourg we are looking for an

Working student (f/m/d)

YOUR TASKS

- Supporting the Finance & Accounting Team with preparatory and follow-up activities in the accounting process including daily invoice control
- Document management
- Assistance in organizational tasks of the day-to-day business
- Preparation of various evaluations & analyses in Excel

YOUR PROFIL

- Student in economics or related studies
- Good MS-Office knowledge, especially in Excel
- Structured, responsible and precise way of working in combination with the ability to work in a team, commitment and flexibility

OUR OFFER

You can expect exiting and varied tasks, flat hierarchies and a motivated, friendly and team-oriented environment offering you the possibility to be part of a growing platform with all the exposure and challenges this combines. For a first impression and information about our company and portfolio please visit our website on www.rfr.lu .

If this role appeals to you please send us your CV and the earliest possible starting date.
